Sound Foundations Series (Grade levels ½ - 1)

The Sound Foundations Series is carefully designed and written to serve the performance needs of the beginning band program. In addition to providing quality performance literature for your concert program, each title in the series provides an appropriate musical setting for the conductor/teacher to reinforce musical concepts and skills that have been addressed in the first year of instruction. Written at two grade levels (1/2 and 1), the Sound Foundations Series provides a variety of musical works that employ the note and rhythm sequence used in most band method books. The Sound Foundations Series is a sound fundamental approach laying the foundation for a sound future.

Program Notes

Oh no, Santa's late! It's a little scary, because it's midnight, and Santa is just now leaving the North Pole for his long night's journey. This fun holiday piece captures the imaginations of younger musicians.

I hope Santa's Midnight Sleigh Ride proves to be a teaching tool that motivates and captures the attention of your younger players during the holiday season. Best of luck for a wonderful holiday concert!

Rob Grice

About the Composer

Rob Grice's music is performed around the world and appears on many state, national and international required music lists. He has served as a conductor and clinician throughout the United States, as well as China, Canada, Singapore, and Oman. He is an active music educator, with experience teaching at the elementary, secondary and collegiate levels. He is currently Senior School Music Teacher at Dulwich College Suzhou, a European International School in China. His ability to write pedagogically effective music for educational music ensembles can be attributed to his vast experience as an educator. He receives many commissions for new concert works and creates numerous publications for concert band and string orchestra each year.
